EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Ages).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe, as accurately as possible, the occupation, trade, or profession of the alien on arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, mine foreman, steel polisher, iron moulder, wood turner, etc., and not merely as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *laborers* and *farm laborers*, regardless of the amount of money shown to be possessed.

A farmer is one who owns a farm, either independently or otherwise.

A farm laborer is one who works on the farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of the aliens.

Column 7 (Can read and write).—Column 7 is subdivided and the entries therein should be either Yes or No. Yes—can read and write. No—No—can neither read nor write, or Yes—No—can read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject, irrespective of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is a Jew, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following suggestions should be specially observed:

—(Illegible)

The term "Cuban" refers to the Cuban people—not Negroes.

—(Illegible)

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified, under this heading.

ITALIAN—NORTH.

The people who are native to the basin of the River Po in northern Italy (i. e., the departments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian—north." Most of these people speak a more or less dialectic form of the Italian language.

ITALIAN—SOUTH.

The people who are native to the [illegible] of the River Po (i. e., the departments of Liguria, Tuscany, Umbria, Marches, Rome, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian—south."

Column 10 (Last residence).—The entry in column 10 should show the country and city or town of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show the place—city or town, if final destination.

Column 12 (Whether going to join relative or friend, and if so, what relative or friend, and name and complete address).—The entry in column 12 should be either Yes (letter N—No).

Column 13 (Ever in prison, etc.).—The entry in column 13 should show definitely by whom passage was paid, as well as by whom last transmitted, other relatives, friends, steamship company, etc.

Column 14 (Whether in possession of $50, and if less than $50, how much).—The entry in column 14 should give in each case individually, or [illegible] as the case may be, as shown.

Money brought by the head of a family should be [illegible] among the several members of the family.

Column 15 (Whether ever before in the United States, and when and where).—The entry in column 15 should show whether the alien has ever been in the United States before and, if so, the year or years and the place or places of [illegible].

Column 16 (Whether going to join husband, wife, father, mother, grandparent, child, brother, sister, uncle, aunt, cousin, nephew, or niece, and if so, which one, and complete address of such relative).—The entry in column 16 should show whether the alien is going to join husband, wife, father, mother, grandparent, child, brother, sister, uncle, aunt, cousin, nephew, or niece, and if so, which one, and complete address of such relative.

Columns 17 to 24.—The answers to these questions are to be written by the inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest [Forms 1500, 1500 A, and 1500 B (new form) (Nos. 500 A and 500 B) ... so far as it relates to alien passengers, including those in transit], should be made in accordance with the following specifications. The number of the column on the manifest is given in these special instructions and in the ... in parentheses, in all cases up to and including column 20, the descriptive title ... stating briefly the subject to which it relates.

Column 4 (Age).—The entries of age in column 4 should be expressed in years in ... months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be confined to married (M) or single (S). Widowed, or divorced, ...

Column 7 (Calling or occupation).—The entry in column 7 should describe as plainly and concisely as possible the occupation, trade, or profession of each alien, as, for example, "farmer," "engineer (civil engineer, stationary engineer, locomotive engineer, ...)," "fireman," "laborer," "clerk," "cook," "waiter," "porter," "tailor," "tailoress," "carpenter," "mason," "painter," "plasterer," "blacksmith," "machinist," "printer," "bookbinder," "cabinetmaker," "upholsterer," "gardener," "butcher," "baker," "engraver," "jeweler," "locksmith," "moldmaker," "metal polisher," "iron molder," "tinsmith," "weaver," "glassblower," "potter," "turner," or other tradesman designation.

A draftsman should be classed as an engineer, unless he is employed at a very small amount of money above the wages of a laborer, in which case he should be classed as a laborer.

A farmer is one who owns or hires and manages a farm.

A farm laborer is one who performs labor, skilled or unskilled, on the farm, as directed by the owner or manager.

Steamship companies should require the surgeons on their vessels to ascertain and record on the manifests, by inquiries made of the aliens, the previous occupation of each alien, if necessary, by inspection and inquiry, before landing the passengers for examination of aliens previously.

Column 8 (Able to read and write).—The entry in column 8 should be either Yes (if the alien can read and write) or No (if he can read but not write).

Column 9 (Nationality).—The entry in column 9 should be the country of which the immigrant is a citizen or subject, and not necessarily that country from which he comes.

Column 10 (Race or people).—The entry in column 10 should be the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and agents having in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien of the French race, or Hebrew by race ought properly come under the heading of "United Kingdom" or any other country by nationality. In this connection the following explanations should be generally observed:

CUBA.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIES.

"West Indian" refers to the people of the West Indies other than Cuba and Negroes.

CENTRAL AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICA (black).

"African (black)" refers to the African Negro, whether coming from Africa or the islands of the West Indies, South or South American Republics, or Europe. Any person whose appearance indicates an admixture of negro blood should be classed under this head.

FRENCH.

The people who are native to the south of the River Loire in the northern half of ... patronymic of a different character. Canadian and Creole descendants ... coming to this ... Switzerland. A native Frenchman of such extraction should be classed as "French" ... Most of the ... speak a Gallic dialect of the Swiss mountains.

ENGLISH.

The people who are native to that portion of the north of the United Kingdom known as England, Wales, Scotland, Ireland, Canada, Australia, Tasmania, New Zealand, British India, and other British colonies, should be classed as "English."

Column 11 (Last residence).—The entry in column 11 should show the country and place where the immigrant last had a permanent residence, whether it was his birthplace or not.

Column 12 (Final destination).—The entry in column 12 should show the ultimate place where it is intended the immigrant shall go, whether it be in the United States or elsewhere.

Column 13 (Whether going to join relative or friend).—The entry in column 13 should be either Yes or No, as the case may be.

Column 14 (By whom passage was paid).—The entry in column 14 should show the name and address of the person or firm who paid the steamship ticket or transportation of the immigrant, whether such person or firm be relatives, friends, steamship company, etc.

Column 15 (Whether in possession of $50 and if less how much).—The entry in column 15 should give in each case the amount of money (not over $1,000) actually in the possession of the immigrant at the time of inspection, whether it be his own money or that of others. If the immigrant has no money, the fact should be stated.

Money brought by the head of a family should not be divided among the several members of the family.

Columns 16 and 17 (Whether ever in the United States before, and if so, when and where).—The entries in columns 16 should show whether or not the immigrant has been in the United States before, and if so, the year or period of years and place (as, 1903, Philadelphia).

Column 18 (Whether coming to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

I, [illegible] of the "Hamburg", from Sagitta, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a diligent and careful examination of each and all of the aliens named in the foregoing Lists or Manifest, and that I have not, nor has the said surgeon, neither directly nor indirectly, by any means whatever, given any information, or procured any certificate to be given, in order to prevent any of the said aliens from being specially examined by the Medical Officer at the port of landing, and that I do not know or believe that any of the said aliens is an idiot, or insane person, or a person who has been deported from some other country, as being unable to take care of himself without becoming a public charge, or is suffering from a loathsome or dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or is an anarchist, or a person believing in or advocating the overthrow by force or violence of the Government of the United States or of all forms of law, or a polygamist, or a person who practices polygamy or believes in the practice of polygamy, or a person who has been within a country or territory or island, dependent or not dependent upon any government, or any part of such government, whose laws forbid emigration to the United States of persons of the class to which such alien belongs, except in pursuance of an agreement, express or implied, made with the United States by the government of such country, territory, or island, according to the best of my knowledge and belief. And I have caused the surgeon of said vessel to make a personal inspection of the said aliens, and the information as to the said aliens required to be furnished in the foregoing Lists or Manifest is full, true, and correct, according to the best of my knowledge and belief.
